Terms of delivery

Primers may be ordered for internal use by BaseClear and are typically stored for one month after completion of the project (price per nucleotide, product #501). At additional cost, primers may be returned to the customer (product #506). Standard synthesis scale is **10 nmol per primer**, and delivery time is 2-3 days. BaseClear guarantees the complete confidentiality of all client information, project data and biological samples during or after the termination of the contract. Please see our website (www.baseclear.com) for more information.
